BASIC INFORMATION OF THE EVENT

Date and Location

26-28 June 2019 (3 days); Macau

Organizers

Fu Hong Society of Macau

Theme of Event:

Together, leaving no one behind, in disability-inclusive and rights-based progress.

Objectives

The regional conference invites leaders of the rehabilitation professions from around the world to give speeches, discussions and workshops that reveal day to day issues facing by people with disabilities. As an umbrella body of over 120 rehabilitation agencies and disability self-help organizations, Rehabilitation International makes efforts to promote an inclusive society by coordinating and improving services and facilities for persons with disabilities. The conference will be beneficial to the local participants and the best practices shared by the overseas professionals will inspire us on how to build up a more inclusive society with positive impact on disabled peoples' lives.
